## It takes a village

This **two-hour** practical workshop empowers families with body safety tools that can be used within the home, school and community.

Our workshops for families aims to inform you of what your child will be learning with us and how you can **keep the conversation going at home!**

The workshop will cover:

Understanding the foundations of abuse prevention

Modeling body safety at home

Online safety and image autonomy

Ten things to teach your child

Becoming champions for children
