

60th Anniversary

We are turning 60! For six decades, our Emmanuel story has been shaped by faith, and community, memories and friendships. This year, we come together to celebrate it all at our 60th Anniversary Reunion on 10 October. All former students and staff are invited to join us for delicious offerings from local food trucks, an amazing display of artefacts and memorabilia and the chance to reconnect with former teachers and school friends.

Maths Club and Tutoring

At Emmanuel, we know that every student learns differently and sometimes a little extra support can make a big difference. Maths Club at lunchtime and tutoring after school gives students the opportunity to ask questions, work through examples, and complete their homework in a welcoming space. This helps build confidence and a positive attitude towards learning Maths.

Music Camp

At the recent three-day music camp held at Ferngully Lodge in Healesville, students had a fantastic experience and the opportunity to immerse themselves in creativity and collaboration. They enjoyed being able to work within the drumline, choir, band, and string ensembles, before coming together to form a powerful camp orchestra. They also extended their skills through workshops in guitar, drumming, and music theory, and were inspired by guest artist Jake Steele, who introduced them to digital music-making using Ableton and Push 2 units. It was a time of music, teamwork, and community, and we look forward to them sharing these learnings at the Emmanuel College Showcase on 10 September.

Sustainability

Building on the culture of sustainability and respect, we have a new recycling bin at Notre Dame Campus, with every 10c return on cans and bottles, being donated to a fundraiser supported by the College's Social Justice team, turning simple recycling into an opportunity to give back to the community.

Breakfast Club

Each Tuesday morning, students can enjoy toast, cereal and fruit at the Breakfast Club, held at each campus from 8:15am to 8:40am. It's a relaxed and welcoming way for students to connect with friends and feel ready for the day ahead.

Year 7, 2027 – applications closed on Friday 15 August 2025

If your child is in Year 5, and you would like them to be considered for a place in Year 7, 2027, we ask you to please contact the College Registrar, Donna Grech, 8325 5100.

Yours sincerely
